**ORDER GRANTING MOTION FOR
APPROVAL OF PROPOSED NOTICE PLAN**

Now before the Court is Commercial and Institutional Indirect Purchaser Plaintiffs' ("CIIPPs") Motion for Approval of Proposed Notice Plan.

The Court, having reviewed the Motion, its accompanying memorandum, declaration and the exhibits thereto, and having held a hearing on the matter, hereby **ORDERS** that the Motion is **GRANTED** and a schedule shall be established for the completion of the notice program.

The Court approves the proposed Notice Plan. The Court orders that the Notice Plan be implemented in accordance with the following schedule:

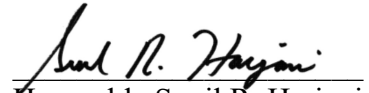

Deadline to Begin Direct Notice	30 days from this Order
Deadline for Completion of Class Notice Plan	75 days from this Order
Deadline for Class Members to Opt Out	100 days from this Order
Deadline for Plaintiffs to Submit Report of Notice Plan Completion and Identification of Opt Outs	120 days from this Order

The Court further orders that Epiq / Hilsoft be appointed as the notice administrator for the Certified Class.

Finally, the Court orders that notice of the Cooper Farms and Farbest Foods settlements be deferred until a later date—not to exceed 150 days from the Court’s grant of preliminary approval of those settlements—so that additional settlements may be included, in order to promote efficiency, conserve resources, and avoid unnecessary duplication.
